Executive Summary

About

Colgate is a leading oral care brand with a global presence for over 100 years. Known for its commitment to dental health, Colgate offers a wide range of products, including toothpaste, toothbrushes, and mouthwashes.

Research Design & Methodology

- Research Approach: Quantitative & Qualitative Research
- Data Collection Tools: Survey Monkey and Teams.
- Data Collection Methods: Online Surveys and Focus Group Discussion

Conclusion

Colgate enjoys strong brand equity, built on trust, heritage, and consistent product performance

Key Findings

- High brand salience with strong awareness and consistent usage.
- Strong performance in quality, effectiveness, and reliability.
- Positive emotional connections with nostalgia, trust, and cleanliness.
- Deep loyalty, but limited active engagement in the community.
- Colgate is seen as a trusted household brand, perceived as reliable and essential for oral care.

There's no smile like yours

Background

Colgate is a **leading oral care brand** with a **global presence for over 100 years**. Colgate is a global leader with a 34% market share in the toothpaste market in 2024. (Statista). It has a Strong brand reputation, wide distribution, and diverse products (whitening, cavity care).

Colgate has been **increasing its innovative efforts** for eco-friendly packaging and natural ingredient formulas.

Competition: Rising from Crest, Sensodyne, and natural brands. Perceived as conventional vs. competitors (e.g., Sensodyne, premium brands).

"I just keep buying it. It's a habit now." – Panelist Guido (Qual Report Q09)

86% of respondents use **Colgate** at least once a month (*Quant Report – Q23*)

***“We don’t call it
toothpaste, we call it
Colgate.”***

(actual quote from the qual report)

Conclusion

01

Colgate enjoys **strong brand equity**, built on **trust, heritage**, and **consistent product performance**. It remains the go-to choice.

02

High **awareness** & **loyalty**. Strong **emotional and generational ties**, **positive** brand associations. **High quality** perception & preference.

03

Colgate is a **low-engagement** but **high-loyalty brand**. Consumers don't actively seek interaction, but continue to repurchase and recommend it—showing strong passive brand resonance.

Thank You.

Keep Smiling!
